Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, “*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*”. A review of condensed consolidated interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and, consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed consolidated interim financial information is not prepared, in all material respects, in accordance with IAS 34.

15 Corporate Income Tax

On December 9, 2022, the UAE Ministry of Finance released Federal Decree-Law No. 47 of 2022 on the Taxation of Corporations and Business (Corporate Tax Law or the Law) to enact a Federal corporate tax (CT) regime in the UAE. The CT regime is effective from June 1, 2023 and accordingly, it has an income tax related impact on the financial statements for accounting periods beginning on or after June 1, 2023.

The Cabinet of Ministries Decision No. 116 of 2022 specifies the threshold of income over which the 9% tax rate would apply and accordingly, the Law is now considered to be substantively enacted from the perspective of IAS 12 – Income Taxes. A rate of 9% will apply to taxable income exceeding AED 375,000 and a rate of 0% will apply to taxable income not exceeding AED 375,000 and a rate of 0% on qualifying income of free zone entities.

The Group will be subject to taxation commencing January 1, 2024. Based on the above, the Group assessed the deferred tax implication and concluded it is not expected to be significant as of and for the nine-month period ended September 30, 2023. The Group will continue to assess the impact of deferred taxes on its condensed consolidated interim financial information.
